NO OPEN SEASON.
Numerous reports that hunters were killing bandtailed pigeons have been received by the Albuquerque game protective association. It is said that an impression exists that the closed season on these birds had expired. The association points out that the killing of bandtailed pigeons is prohibited at all times throughout the United States by the new federal migratory bird law. The bandtailed

LABOR SHIPMENTS TO CEASE AS RESULT OF SHORTAGE IN STATE

COMMUNITY BOARD INFORMED BY MESSAGE FROM WASHINGTON OF ULTIMATE DATES WHICH WORKERS CAN BE SENT OUT OF STATE FOR WAR WORK

Because of the alarming shortage of labor in Arizona which may make it necessary for the majority of the able-bodied men in it to turn their hands to the strictly essential pursuits, instructions have been wired from the department of labor, in Washington to the Bisbee-Douglas community labor board, that no more shipments of labor, either unskilled or skilled, may be made after dates specified. The time limit set for shipment to Nitro, W. Va., and Norfolk, Va., is October 22. Monday, October 14, is the final limit for shipments for Portland, Ore. Should any skilled or unskilled men here desire to go to the latter place they should apply to the enrollment offices at O. S. French's soft drink stand, Mr. Poppe on O. K. street, or the Union hall on the same street. No men from mines, railroads or farms will be taken. Those recruited will leave here Monday morning at 8:25 o'clock. At the same time the board was instructed to bend every effort toward securing men for Hospital No. 20 at Whipple Barracks, near Prescott. No more carpenters are to be sent to Prescott. Laborers sent there are to be paid at the rate of 30 cents per hour.

MOTOR MECHANICS WANTED AT ONCE FOR ARMY SERVICE

CALL FOR VOLUNTEERS AND DETAILS OF SERVICE SET FORTH BY ARIZONA BRANCH WHICH IS ENLISTING MEN AT PRESENT IN PHOENIX

PHOENIX, Ariz., Oct. 12.—General Pershing has called for motor mechanics to the number of 18,000 for immediate organization into units and transportation to France within thirty days. To accomplish this the adjutant general has issued authority for induction into the army of the quota required the limit being that the volunteers shall be men heretofore registered in the draft including the present and deferred classes. The period for volunteering of the class A men of the first draft has expired, yet leaving the present drafts list the only available source.

Robert A. Kirk has been placed in charge of the work of the handling of the volunteers from Arizona and with Lt. W. C. Conger of motor transport corps today opened headquarters in chamber of commerce building here at Phoenix. Inquiries for application blanks should be wired to Kirk. The opening of volunteer lists to Arizona men gives not only an opportunity for those men to select their service but also now advance their salary. The requisition for mechanics include 200 sergeant senior grade, \$81 per month; 2400 sergeants first class, \$51; 250 sergeants, \$51; 4300 sergeants, at \$40; 1600 corporals, at \$36; 550 cooks, at \$38; 5400 privates first class, at \$33; and 3300 privates, at \$30 per month. Married men are advised that they must comply with all the government regulations. This covers an allotment to wives of not less than \$15 a month and to this the government will add \$15 if volunteers are childless and \$25 dollars if there is child and \$32.50 for two children and \$5 a month for each additional child.

pigeon is a large stocky bird about the size of a domestic pigeon, and is found mainly in numbers since protected by the federal law.

WOUNDED IN FRANCE.
According to the casualty list received here yesterday, Ralph Waldo Wilson, who was formerly employed by the C. & A. Mining company, as a mucker, was severely wounded in France, while in action. Wilson left here last year with one of the contingents of the Cochise county boys. He stopped at the Victor house while he was in the city.

MORE QUESTIONNAIRES SOON.
The local board for Cochise county today received notification from the adjutant general that Provost Marshal General Crowder expects to issue orders to send out the remainder of the questionnaires to registrants who were not in the ages previously sent out. It is expected these orders will be received November 1.

HUSKY WIFE.
A local lawyer a few days ago made out the questionnaire for a young man who seemed to be different from most of them. Instead of trying to show reasons why he should be exempted he was "rarin" to go. He admitted having a wife and children, but said his wife was "husky" and entirely capable of taking care of the young family while he was on the battlefield.

CLERKS WANTED.
On account of the examination of the enlisted men at the Y. M. C. A. on Tuesday, the local draft board would like to have about twelve to fifteen male clerks to assist them in the work. There are a large number of men to be examined and they need the assistance of the volunteer clerks. They are asked to report at 8 o'clock in the morning as the examination will start then.

TWO PHYSICIANS ILL WITH THE SPANISH "FLOO"

County Health Officer, Dr. Hunt and Dr. George W. Bridge Are Confined to Homes With Disease

The influenza epidemic in the Warren district continues to maintain its quota. It is estimated now that there are about 25 cases in the district. There have been no deaths from the disease during the past 24 hours, the total to date being five, but the local physicians state that there are a number of patients who are in a very bad condition. Mrs. Frank Tracey, whose husband died a few days ago of the disease, is still quite dangerously ill.

Dr. C. W. Hunt, the county health officer, was taken down with the disease yesterday and is confined to his home as is Dr. George W. Bridge of the Copper Queen staff. So far neither of them have a very severe case. All of the local doctors have their hands full night and day trying to answer all of the calls that come in. With the illness of Drs. Hunt and Bridge of the Copper Queen staff, the remaining doctors on the staff were very busy yesterday attending to the sick calls and the usual amount of work in the dispensary.

Dr. Hunt yesterday received the following telegram from Dr. O. H. Brown, state superintendent of health, who is now at Winslow, in the northern part of the state, making an investigation there. The telegram is of interest to all the citizens of Bisbee and they should be mentioned therein. The telegram is as follows: "Winslow, Ariz., Oct. 12.

"To Dr. Hunt, County Health Officer, Bisbee, Ariz.

"Six days' experience with serious condition here from influenza makes me say, take every precaution, close all meetings, schools and churches until further orders and clean up yards, ponds and outhouses, investigate dairies and water supply. "I recommend strictly personal cleanliness. "I recommend spraying nose and throat twice daily with some oil antiseptic. "Treatment of influenza vaccine in three cases appeared effective. "I recommend patients stay in bed absolutely until thoroughly well, pneumonia comes with relapse, and nearly 60 per cent of pneumonia cases here proved fatal. Eighteen deaths here in past six days. "O. H. BROWN, "State Superintendent of Health."

WALTER DOUGLAS SENDS FELICITATIONS TO CABELL
Walter Douglas, president of the Phelps Dodge corporation, has sent a letter to Major General D. C. Cabell, congratulating the latter on his promotion. The letter follows: "Brig. Gen. De R. Cabell, San Antonio, Texas.

"My Dear General: May I take the opportunity of congratulating you and incidentally of condoling with the good people of Arizona, on your promotion to the command of the southern department and consequent departure from Douglas. "We have had so few C. O.'s on the border who apparently concerned themselves with the sacredness of our citizenship as regards our southern neighbor or interested themselves in the protection of our institutions, that your regime stands out in most pleasing contrast. "We of Arizona feel that the nation has honored itself in recognizing the record you have made, but at the same time we deeply regret your transfer from our midst. Yours very truly, WALTER DOUGLAS. "New York, Sept. 30, 1918."

REVIEW CARRIER IS INVESTOR IN BOND
Arthur Blum, a Review carrier on the Upper Lowell route, has purchased a \$50 Liberty bond. Arthur is the second Review boy to buy a bond with money earned by carrying papers for the Review. He has been working for the Review for about a year and has won several prizes for good service. He is now substituting for Jerry Tong, who is sick in bed with the measles. Arthur says if there are any people on his route who are not getting their paper, to let him know through the Review and he will make it a point to see that the mistake is rectified.

Phoenix: John B. Blea, a member of the Phoenix police force, who was arrested last night on a warrant charging him with a statutory offense, was brought before Justice of the Peace Wheeler this morning and pleaded not guilty. His bond was fixed at \$2,000 and he will be given a preliminary hearing tomorrow morning. Blea was arrested on the complaint of an Indian girl from the Sacaton reservation. Eva Maria Cruz. Various officers of the police force and local draft board, on hearing of the charge brought against Blea last night, expressed belief in his innocence.

WILL BE SENT TO UNIVERSITY OF UTAH BY GOVERNMENT

SEVENTEEN YOUTHS OF COCHISE COUNTY SELECTED TO ATTEND SCHOOL — WARREN DISTRICT LEADS YOUTHS WHO VOLUNTEERED

The local board of Cochise county will send the following named to the University of Utah, where they will be given a three months' course of training to prepare them for entering the officers' training camps. They will be given a special course. The young men have been notified to report in Tombstone not later than Monday, the 14th, at 4 o'clock. They all volunteered and not a man had to be ordered to report. The Warren district has the honor of furnishing the largest quota of the volunteers. The honor roll is as follows:

Percy Clayton, Bisbee; Joe Flint, Warren; Harry Parry, Bisbee; Marvin H. Smith, Lowell; Ned D. Johnson, Lowell; Walter B. Williams, Bisbee; Douglas A. Campbell, Bisbee; W. T. Brooks, Bisbee; W. L. Atterbury, Bisbee; D. L. Winstead, Lowell; George Parr, Bisbee; Levi L. Nelson, Lowell; Cleve O. SPENT MONEY FOOLISHLY

"I have been a great sufferer from stomach trouble and gall stones. No one knows the pains I have suffered. Since taking the first dose of Mayr's Wonderful Remedy and feeling fine, can work all day and eat anything I want. Have no more distress or palpitation of the heart from gas on my stomach. I have spent a great deal of money on doctors and medicine but got nothing to help me." It is a simple harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince of money refunded.

NON-ESSENTIAL EMPLOYMENTS ARE OUTLINED

Community Board Gives List and Urges People in Them to Seek Essential Employment at Once

A list of non-essential employments was promulgated by the Bisbee-Douglas community labor board at a meeting held in Douglas yesterday. In addition a resolution was adopted, urging everyone engaged in the businesses included in the list to secure employment in some essential occupation.

The non-essentials listed include: Automobile industry, accessories, drivers of pleasure cars, cleaning, repairing and delivery of same; sight-seeing cars, auto trucks other than those hauling fuel or doing government work, teaming other than delivery of products for war work; bath and barber shop attendants, bowling, billiard and pool rooms; bottlers and bottling supplies, candy manufacturers, cigar and tobacco, cleaners and dyers, clothing, confectioners and delicatessen establishments; builders and contractors not engaged in erection of structures for war work; dancing academies, mercantile stores, florists, fruit stands, junk dealers, livery and sales stables, brokers and peanut vendors, shoe shining shops, window cleaners, soft drink establishments and soda fountain supplies, theater attendants, male employees of hotels, restaurants and boarding houses.

The resolution adopted says: "In view of the extreme shortage of men, both skilled and unskilled, in the war industries of the nation this board urges all persons engaged in any of the above-named non-essential employments to enter as soon as possible into necessary employment. All persons desiring information in regard to essential industry can obtain same from nearest United States employment office.

"JAMES H. EAST, "Chairman. "H. A. CLARK, "SAM YARNELL, "R. J. WILBERT."

The board was reorganized. Mr. East was confirmed in his position as chairman while R. J. Wilbert of this city, representing labor, was made permanent secretary. H. A. Clark announced that he had decided to accept the appointment on the state community labor board as the representative of the employers. He will, however, continue to serve on the Bisbee-Douglas community labor board until his successor has been chosen by the employers of the district.
